

Zephyr Cove Description

This upscale home is located in the sought after area of Skyland, a lakeside community within Zephyr Cove which boasts its own private beach.

The refined charm of this English Tudor home is manifested within its 3,400 square feet, with classic period furniture of excellent quality mixed with typical Tahoe touches. The entire home is decorated to appeal to the finest of tastes.

The main floor is the place to gather. The main living room is graced with a steep, open-beam ceiling, and a large brick FIREPLACE. A new 55" HDTV has just been added so that you can enjoy your favorite sports shows or relax with a movie. Across the hall is the game room with the POOL TABLE AND FOOSBALL TABLE. Just off the living room is an alcove with book shelves full of reading materials and a desk for those who need to get a little office work done. Around the corner, dinner can be prepared in the huge kitchen which is fully stocked with all that is needed to cook your gourmet meal.

For those who aren't quite ready to go to bed, but want some quiet time away from the partying group downstairs, wander upstairs to the family room where there is a 48 inch television, two comfy recliners, and a sleeper sofa. It might be a great place to play a game or read a book. If it's time to go to bed, there are 4 OVERSIZED BEDROOMS, three of which have king beds and televisions. The fourth bedroom has a queen sized bed. The large master bedroom has an attached master bathroom, and the other three bedrooms have access to two additional bathrooms.

Outside there is a large deck where you can enjoy the sounds of the boats on Lake Tahoe, and the sounds of the wind whistling through the pine trees. Enjoy the HOT TUB, barbecuing and toddy time while watching the many of animals at play from the relaxing vantage point on the deck. Better yet, take a walk down to the beach and wiggle your

toes in the lake. Many like to picnic there or take their kayaks out on the lake. Or do what we do, and take a cup of coffee to watch the sun coming up over the lake!
