

# Tahoe Ski Chalet

The Tahoe Ski Chalet is a lodge-style home, with three-bedrooms, two baths and it sleeps eight guests, and that includes children. It features an over-sized great room with exposed beam vaulted ceiling, a gorgeous used-brick FIREPLACE, and an antique Conestoga wagon wheel chandelier. After a long day on the slopes, washing coins in the slots, or shopping the outlets, the experience of sitting in front of the fireplace with a glass of wine or a mug of hot chocolate just can't be beat! The FOOSBALL TABLE is there for hours of entertainment!! When it's time to "veg out" and watch a movie or football game, you'll be impressed with the 50" HD FLAT SCREEN TV. When it's time to head for bed, you will enjoy the comfortable king sized beds and 32" HD Flat screen TVs. There is a sleeper sofa in the living room for additional sleeping space.

The home is centrally located within five to seven minutes of world class skiing, casinos, restaurants -- and, of course, beautiful Lake Tahoe. The home is tucked away in a quiet neighborhood, protected from traffic and tourist noise; and it's less than one block from a national forest preserve which is perfect for hiking and biking in the summer. For the avid hiker, there is a gorgeous view of Lake Tahoe from the top of the hill. On your way, you'll come to a meandering stream -- complete with falls, where the kids can enjoy water fun while the adults enjoy a picnic lunch. It's perfect for those educational nature hikes. In the winter, many use the same area to go snow shoeing or cross country skiing.

After a long day of sporting activities or shopping at the outlets, try relaxing in the soothing HOT TUB, or lounge on the chalet's large deck while cooking steaks on the gas barbecue. If you prefer to cook inside, the kitchen is fully stocked with microwave, dishwasher, pots and pans, dishes, etc. All you have to do is buy the food. And when the day is done, each of the 3 bedrooms have comfortably appointed KING SIZED BEDS and 32" FLATSCREEN TVs. You'll enjoy the sounds of nature in this truly peaceful setting and home.
